OBJECTIVE

Seasoned leadership professional with 11 years of experience. Proven track record in streamlining operations, managing cross-functional teams, and driving strategic initiatives to improve efficiency and mitigate risks. Adept at liaising with stakeholders, developing and implementing robust procedures, and ensuring organizational resilience.

EXPERIENCE

HEAD OF DAMAGE & ADMINISTRATION

Novasol. Denmark | Oct 2022 - Oct 2023

- Directed damage assessment and claims processes across 20 European countries, ensuring consistent, high standards of service.
- Led development of a company-wide knowledge base, streamlining access to essential information and procedures.
- Negotiated favorable terms with primary insurance provider, achieving 10% in total cost savings with no downside.
- Reduced time spent per damage case significantly, boosting department efficiency and customer satisfaction.
- Designed and implemented new procedures for handling staff-caused damages, safeguarding company reputation.

CHAIN MANAGER

TDC. Denmark | Feb 2019 - Dec 2021

- Proficient in dissecting operational processes, pinpointing inefficiencies, and instituting innovative solutions for amplified productivity.
- Spearheaded rapid responses to emergency situations, minimizing disruptions and maximizing recovery efficiency.
- Forged partnerships with local, regional, and national entities to devise holistic emergency preparedness and response plans.
- Managed projects end-to-end, vigilantly ensuring alignment with predefined scope, timeframes, and budget.
- Proven leadership in guiding cross-functional teams, cultivating team synergy, and achieving milestones under high-pressure scenarios.
- Vigilantly monitored project trajectories, proactively managed associated risks, and guaranteed on-schedule milestone accomplishments.

TEAMLEADER

TDC. Denmark | Dec 2017 - Feb 2019

- Entrusted with leadership of the 3rdlevel team, TDCgroups apex tier of telephone support, renowned for its niche in aiding frontline staff with advanced backend system solutions to intricate challenges.
- Directed and mentored a cohort of 14 specialized professionals, fostering a culture of excellence and commitment.
- Innovated and implemented robust workflow processes, efficient call documentation practices, comprehensive training modules, and strategic recruitment plans.
- Spearheaded the 3rdlevel team's seamless assimilation into the 'DailyPulse' initiative, underscoring the importance of diminishing operational errors and enhancing procedural efficiency.

TEAM MANAGER

SiTel. Denmark | Aug 2016 - Dec 2017

- Led a billing service team of 12 professionals, steering the group with a decisive and motivational leadership style.
- Earned consistent recognition for exemplary performance, securing four distinguished awards in acknowledgment of unwavering dedication and impact.
- Graced with the "Team Manager of the Month" honor twice, a testament to outstanding contributions, effective management, and a tangible enhancement of team productivity and efficiency.

MANAGER

Browser MD S.R.L. Remote | Oct 2010 - Aug 2016

- Entrusted with the remote leadership of a 20-member voluntary team, focusing on the English rendition of the game.
- Held direct reporting lines to the lead developer and organizational proprietors, ensuring seamless communication and strategic alignment.
- Championed daily operational excellence while actively partaking in game balancing and product advancement, with a targeted emphasis on boosting sales and user experience
